Case No. 3:24-cv-00517-MMD-CSD

**Order Granting Stipulation and
Proposed Order Extending
Deadline to File Reply in Support
of Motion to Dismiss**

First Request

Plaintiff American Fire Wire, Inc. and specially appearing defendant Maestro Integrations, LLC, stipulate to extend Maestro's deadline to file its reply in support of its motion to dismiss by one week:

1. Specially appearing defendant Maestro filed its motion to dismiss for lack of personal jurisdiction on January 6, 2025. In its response, Plaintiff seeks limited jurisdictional discovery in resolving the motion.

2. The parties are currently discussing a potential agreement to conduct limited jurisdictional discovery. In doing so, Maestro seeks one additional week to file its reply in support of its motion as the parties negotiate a proposed agreement.

3. The parties agree to the extension sought and file this stipulation in good faith and not for the purpose of delay.

4. Thus, the parties respectfully request that this Court extend Maestro's deadline to file its reply in support of its motion to February 4, 2025.

IT IS SO STIPULATED.
